

THE 10 VIDEO AUDITION COMMANDMENTS...

1	CHOOSE	Select ~30 seconds of a song in the style of the show and prepare accompaniment. No acapella auditions please. <i>(Note: if your audition requires a monologue, rehearse prior to recording to allow for fluent and expressive reading or memorization.)</i>
2	PREP	When you're ready to record, find a quiet, well-lit space.
3	INTRO	Begin your video by introducing yourself with your full name, and audition song.
4	SING	Begin your song with accompaniment. Be sure to preview your audition for sound and video quality, placing your accompaniment where it won't drown out your voice! <i>(Note: if your audition requires a monologue, keep recording! Introduce and perform your monologue on the same recording.)</i>
5	SHARE	Upload the video to You Tube to create a shareable link or attach it directly to your audition email.
6	INFO	Be sure to fill out the information in your audition packet with as much detail as possible.
7	PLAN	Review the conflict calendar in your audition packet carefully and indicate any known scheduling conflicts. Further details you may wish to describe can be included in the notes section or in your email.
8	SAVE	Once the packet is filled, save a copy of the filled document and attach to your audition email.
9	EMAIL	Send your VIDEO AUDITION and your AUDITION PACKET to Auditions@midwayplayhouse.org <i>(If your audition is sent successfully, you should receive a confirmation within 24 hours.)</i>
10	WAIT	Check the Midway Playhouse website for audition results and callback information. <i>(This is usually posted a day or two after the audition window closes.)</i> Good luck!
